Can Spring be Far Behind?

It seems like our Chapter LIKES to eat! Attendance at Chapter dinners has been high - Ben and Debbie Zadrozyzny were able to join us at one of them and said they would be back – words we all love to hear. The training day was not well attended, but that was due to the fact that so many people were out of town - but we did have FUN. Bobbi Hardman was at the Chapter meeting, so we were able to present her with a Certificate of Appreciation for being the MEC for several years. Unfortunately, game night had to be canceled due to a Nor’easter (there were three in our area, but Tim and I were in Maine last week and experienced a fourth). One day, we watched a bunch of surfers ridin’ the waves in the ocean. Next year, we think we should add that to one of our winter activities!! What does everyone think?

We understand that people really don’t like the Malta Diner (food isn’t that great), but it IS a central location for the Capital Region and it shouldn’t be all about the food – isn’t it about getting together with FRIENDS and having FUN? We have been looking for alternate locations, but some places charge, one location did not have handicap access, others may be too small during peak times, others are too far north to accommodate the Albany, Troy and Schenectady people, etc. If you know of a location and would like us to check it out, please let us know. And the Malta Diner does have a room that holds us, a waitress who takes care of us, and they are happy to have us. Tim and I went to a meeting in Connecticut and it was in a fast food restaurant - there was not a separate area to meet, but the people were happy to see each other and everyone had a good time – isn’t that what GWRRA is all about?

We went to the District meeting and were presented a $100 check for the most Dash for Cash Points for 2017. We need to start visiting and attending other events if we want to keep up our winning streak – the pressure is on - Chapters D, K and U are ahead of us!! Chapter N’s Couple of the Year, Peter and Linda Pileggi, received their “real” medallions. At the meeting, we also found out that Shawn & Dawn Hayes have stepped down as New York District Directors (due to the demands of Shawn’s job) and Ted & Janice Zamorski have stepped up. Congratulations Ted & Janice, and Chapter N is here to help!

Upcoming events: Chapter Dinner at Bentley’s on April 11th at 6:30pm, MFA/CPR Training (District Event) on April 14th at the Wilton Fire House at 9:00am, and our Eastfield Ride (www.historiceastfield.org) – two, three or four wheels, rain or shine. After touring the village, we’ll stop to eat on the return trip.

What’s the Big Deal?!

As I have been stumbling around learning my roll as District Educator, I have noticed a pattern at the Chapter level. Members are scared of change. Here is the most common response to the question, “Would you like to become our Chapter Ride Coordinator?”

“If nominated, I will not run, if elected, I will not serve.”

So I ask you, “What’s the big deal?” All this involves is being current in the levels program, current in CPR/FA, signing a Memorandum of Understanding, filling out a knowledge test, (more like a questionnaire), and being a certified Road Captain. If you have been involved in GWRRA for any length of time, you already have completed most of the criteria. And guess what! There are people to help you learn the job. Just because you are the Coordinator doesn't mean you have to lead every ride. What we are hoping for is that you will set the example for the way we as GWRRA members coordinate, communicate, and ride in a safe fashion. To extend the hand of friendship to other bikers, I would hope that all GWRRA members do this. Finally, you would communicate with the District, namely Ted and Janice and Nancy and me, to let us know what is going on in your Chapter and what we can do for your Chapter. I believe that President Roosevelt said it best: “We have nothing to fear except fear itself.” So how about it? Who is ready to step up? It really isn’t that scary, and I ask again, “What’s the big deal?”

Here's a little part of US history that can make you go, "hmmmmm."

The names Lincoln and Kennedy each contain seven letters.
   Both were particularly concerned with civil rights.
Abraham Lincoln was elected to Congress in 1846.
   John F. Kennedy was elected to Congress in 1946.
Abraham Lincoln was elected President in 1860.
   John F. Kennedy was elected President in 1960.
Lincoln's secretary was named Kennedy.
   Kennedy's secretary was named Lincoln.
Both wives lost their children while living in the White House.
   Both Presidents were shot on a Friday.
Both Presidents were shot in the head.
   Both Presidents were shot by southerners.

   John Wilkes Booth, who assassinated Lincoln, was born in 1839.
   Lee Harvey Oswald, who assassinated Kennedy, was born in 1939.

Both assassins were known by their three names.
Both names are comprised of fifteen letters.

Booth ran from the theatre and was caught in a warehouse.
Oswald ran from a warehouse and was caught in a theatre.

Booth and Oswald were assassinated before their trials.

   Both Presidential successors were named Johnson.
   Both Presidential successors were southerners.

Andrew Johnson, who succeeded Lincoln, was born in 1808.
Lyndon Johnson, who succeeded Kennedy, was born in 1908.

It has been several days since the District Meeting, and I’m certain that almost everyone has heard about who just became the NY District Chapter of the Year (CHoY) 2017.

Before getting into the various awards, I first need to elaborate on the requirements to qualify for the different levels. The awards are based on total points accumulated during the year, according to very specific criteria. Fortunately, we have used those criteria for the last time, since beginning in 2018, we are using our own criteria. The 2017 Chapter of the Year selections were based on the following point values:

Gold Level Chapters: 431 on up
Silver Level Chapters: 287 to 430 Points
Bronze Chapters: 144 to 286 points

I gave a lot of thought to the design and printing of the certificates in these photos, as I wanted to reflect the personality of each Chapter participating in the CHoY program. I woke up in the middle of the night the night before the District Meeting. That’s when I would be handing them out. I wondered how I could bring a little suspense to the presentation. The idea came in a flash - since it is customary to present all of the awards in order, where the last Chapter would normally be our new CHoY, I thought I would bring an extra blue folder to the presentation, and this would mislead everyone into thinking that there is still one more chapter out there waiting to be called up as the new CHoY. I was very much on edge and nervous, to say the least.
When the time came to call the Chapters up, I called Phil Coons, Chapter Director of Chapter L. He received a nice Certificate of Appreciation for their participation in the Chapter of the Year Program. Their Chapter was just under the necessary number of points required to qualify for the Bronze Award.

The next Chapter to be called up was Chapter N, under the direction of Eileen and Tim Guile. Chapter N received the Bronze Award! Great job, Chapter N!

Next, Chapter K Directors, Gary & Lois Dinizio, were called up to be recognized. Not only did Chapter K win the prestigious title of NY Chapter of the Year 2016 (under Rich and Ann Bullis, then CDs), they also were the National Chapter of the Year, first runner up. With 289 points, Chapter K received the Silver Award! Well done, Chapter K!

Next in line would be Arlene and Roger Connelly, from Chapter U. As they approached, I made certain that they saw me holding one extra blue folder, implying that there was one more Chapter to be recognized after them, namely the new Chapter of the Year. So now, Arlene and Roger were standing next to me, waiting for me to hand them their runner-up award. As far as they knew, all chances to become our new CHoY had just vanished in the sun set. However, to make things even worse, I leaned towards Arlene and apologized to her for having to cut several points during my review of their paperwork, and she answered, “Yes, I know,” and she appeared to be very disappointed and heartbroken. I opened up the folder and pretended I was having difficulty with my eye glasses, and I asked Arlene if she wouldn’t mind reading the award. She complied with my request, and proceeded in a nervous and shaky voice, thinking that their dreams of the prestigious title of District CHoY had once again slipped through their fingers. But wait!

What an overwhelming surprise, to find out that our Chapter U Directors were holding their very own NY 2017 Chapter of the Year Certificate! Roger suddenly had a smile a mile wide, and Arlene could not hold back her tears of Joy! Everyone in the room gave them a well-deserved standing ovation. By now, everyone in the room, including our new CHoY, where wondering to whom this last blue folder would be awarded. Actually the last blue folder I brought in was merely a prop meant to confuse everyone present, thereby enhancing the surprise. Congratulations to our New District Chapter the Year 2017, NY Chapter “U”! [Ed: The Little Chapter That DID!]
